

Custom Plaque Order Form:

Help raise funds for Mineral Belt upkeep and other trail projects by ordering your customized plaque to be installed on one of our Mineral Belt Trail shelters.

This is a wonderful way to show individual or family support for the trail or memorialize a family member, friend, or pet that loved the trail.

The plaques will be made out of weather hardy aluminum.

Order turn around is approximately 3-4 weeks.

Thank you for your support of the Mineral Belt Trail, a community resource for all!
